

PRIVACY POLICY

"Five Card Dialer (etisalat)" MOBILE APPLICATIONS

This privacy policy governs your use of the software application Five Card Dialer (etisalat) ("Application") for mobile devices that was created by DSincity. The Application is a etisalat mobile service provider Five Calling Card Dialer for helping calling with automatically providing calling code. Now you can simply call someone directly from your contacts instead of having to dial the card number again and again every time.

What permissions does the Application obtain and how is it used?

1) Internet Permission :

This permission is taken from the user of this "Application" to facilitate the displaying of Ad. This permission is not used in any manner to access user information or it is used to share any information with any third party associated with this App developer.

2) Call Phone Permission :

This permission is taken from the user of this "Application" to facilitate the user of this App to make call through their phone to a user selected or entered phone number. This permission is not used in any manner to access user information or it is used to share any information with any third party associated with this App developer.

3) Read Contact Permission :

This permission is taken from the user of this "Application" to facilitate the user of this App to access their phone contact to select the number they need to call using this App. This permission is not used in any manner to access user information or it is used to share any information with any third party associated with this App developer.

What information does the Application obtain and how is it used?

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is optional.

When you register with us and use the Application, you generally provide (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, and; (e) information you enter into our system when using the Application, such as contact information and project management information.

We may also use the information you provided us to contact you from time to time to provide you with important information, required notices and marketing promotions.

Automatically Collected Information

This "Application" is not automatically collecting any information of your device or user after it has been installed.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

Yes. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if DSincity or the developer is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.
- to advertisers and third party advertising networks and analytics companies as described in the section below

Automatic Data Collection and Advertising

We may work with analytics companies to help us understand how the Application is being used, such as the frequency and duration of usage. We work with advertisers and third party advertising networks, who need to know how you interact with advertising provided in the Application which helps us keep the cost of the Application low. If you'd like to opt-out from

third party use of this type of information to help serve targeted advertising, please visit the section entitled “Opt-out” below.

What are my opt-out rights?

There are opt-out options for users of this Application:

Opt-out of all information collection by uninstalling the Application: You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at [dilip.sincity@gmail.com].

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information if this application do obtain such information for up to 24 months and thereafter may store it in aggregate. If you’d like us to delete User Provided Data that you have provided via the Application, please contact us at dilip.sincity@gmail.com and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at dilip.sincity@gmail.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by clicking here.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the user country.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at dilip.sincity@gmail.com.
